

Shearer Candles Unveils Two New Scents In Flagship Couture Collection

[Shearer Candles](#), the longest established creator and purveyor of candles and scented products in the UK, announces the launch of [Lemon Zest](#) and [Clean Slate](#); two fragrance ranges which will join [Couture](#); their flagship scent collection.

The [Lemon Zest](#) range, presented in sunny yellows, displays “fresh, juicy lemon fragrances, enhanced by sparkling verbena and lemongrass”. In contrast, [Clean Slate](#), presented in cool greys, displays “hints of lily, jasmine and white rose”.

Both ranges are available in a variety of forms, including tin candles, glass jar candles, pillars, scent diffusers and tea lights. The firm also introduces “wax melt” versions of all 15 scents within the [Couture Collection](#).

[Lemon Zest](#) and [Clean Slate](#) are marketed as perfect scents for Spring, alongside six other fragrances within Couture. The two fragrance ranges are presented in premium packaging, with soft matt glass jars and foil detailing, and carry waxes sourced from Europe certified to the highest standard.

Commenting on the two new releases Stephanie Barnet, Shearer Candles’ Head of Product Development said:

“We are very excited to introduce [Lemon Zest](#) and [Clean Slate](#) to our Couture range. These scents have been a long time in the making and we’re delighted with the results. We have every confidence that our customers will love these two new additions.”

We’re constantly monitoring trends within our marketplace in order to keep our flagship range exciting and fresh, and variety really is key in this industry. Lemon Zest and Clean Slate mark two of three new scents launching within Couture in 2018, so watch this space!”

[Lemon Zest](#) and [Clean Slate](#) will be available to purchase from Shearer Candles’ stores and website, along with selected retailers across the country, from today.

-Ends-

Shearer Candles is a leading creator and purveyor of artisan candles and scented products. Established in 1897, we are the UK's longest established lifestyle candle manufacturer. Working with only the purest ingredients and inspired by our beautiful surroundings here in Scotland, our goal is to continually exceed the expectations of our customers around the world by delivering superior quality and exceptional choice.

The Shearer Candles portfolio currently consists of 8 scented collections and 28 unique scents.

Throughout our long history, Shearer Candles has always been family run. When the last of the Shearers retired in 1972, the Barnet family took to the helm, and is proud to now be in our third generation.

Today our customers include leading retailers, hotels and restaurants, not to mention the candle lovers of all persuasions who can't help but fall for our beautifully crafted candle collections.
